SCOPE FOR THE FUTURE

Asia Pacific: Future Impacts: By 2035, air transportation in Asia Pacific is expected to support nearly 72.3 million jobs and nearly USD\$1.3 trillion in GDP.

Potential Impact of Expanding Airport Capacity: The value of future investment in airport capacity in the next 20 years is estimated to be 23.8 million jobs and USD \$399 billion in GDP, or 33% of the potential gain in terms of jobs.

India: 7.5 million direct aviation jobs and 5,70,000 indirect aviation jobs are available. We wish our students would lead the growing industry world-wide.

“ STUDENT'S TALK ”

My experience with Sacca has been quite amazing. It's a place that has transformed my personality, making me a better version of myself.

Ms Tairaff, Ground Staff, Air India, Chennai

All positive - this is the best course I have completed as part of my education. Very good value for money and the professionalism and friendliness of the instructors and other staff stood out to me.

Mr Maniyarasu, Accounts Head – Kerala, Tamilnadu, Karnataka for Cathay Pacific Airways

Very knowledgeable and friendly. Great to have variety of trainers throughout my course and making it possible to learn from different viewpoints on how to achieve in the aviation industry. I thoroughly enjoyed the entire course

Ms Athira, Relationship Officer, Air India, Coimbatore

I absolutely loved my days here! Thank you for all of the great hosting and teaching of skills in Aviation. Glad to be a part of Sacca.

Mr Mohammed Zubair, Customer Relationship Executive – Air India, Chennai

Excellent course with wonderful training. Teaching skills and methods are first class. I wholly recommend Sacca. Thanks

Mr Maxwell, Senior Supervisor – Air Vistara Airlines, Chennai

Without doubt one of the best courses I have ever completed! Staff are amazing. Overall learning and experience exceeded my expectations. Many thanks to all!

Mr Hamras Ramp Officer, Indigo Airlines, Bangalore

I am pleased to inform you that Sacca is one of the best institutes in aviation training. Through proper learning from Sacca, we are able to perform and achieve success in the airline industry

Ms Shahaba, Relationship Officer, Air India, Coimbatore

I choose to learn from the best. Sacca Aviation Trainers and Management have instilled skills in us. They are passionate, teach from their personal experience, and are excited to show you the way to say it better.

Mr Sanal Kumar, Ground Staff, Sri Lankan Airways, Chennai

Everything was excellent. I benefitted from multiple instructors who all added contact and Experience to the course.

Mr Selva, Security Officer, Air Vistara Airlines, Delhi

I had a beautiful experience with Sacca Aviation. The faculties are very supportive and I got to learn many things compared to other aviation Institutes.

Ms. Raji Laxmi, Reservation & Ticketing, Apollo Times, Dubai

Thanks to Sacca for making my career bright. Faculties in Sacca were very supportive. They trained and assisted me a lot to get a job. Finally, I have been placed in Air India as ground staff

Mr Salman, Relationship Officer, Air India, Chennai

One of the best training institutes is where you can achieve your dream of getting into aviation. They provide very practical training on how to handle people and cargo at airports.

Mr Kashif, Ground Staff, Air India, Kalaburagi

Thanks for the best coaching classes. Feeling confident. Thanks for the motivation and support. Excellent Days with Sacca!!

Mr Ilikan, Relationship Officer, Air India, Cochin

If you dream of having a professional career in the aviation industry, then Sacca Courses are world-class. It's never too late to get started with Sacca.

Ms. Shobana Balan, Reservation & Ticketing, SriLankan Airways, Madurai

Nowadays, many people are not aware of this very useful course. By God's grace, I had the fortune of being trained by a professional from Sacca. The training was excellent, and as a result, I secured a position in a leading airline in Coimbatore.

Mr. Sachin Guru, Sales – Indigo Airlines, Coimbatore

It seemed like the perfect occasion to learn everything I needed to know to begin in this field. I learned a lot from this course. It was interesting and most of it all, it gave me the motivation to work hard and succeed.

Mr Devadass Pandian, Senior Executive Sale, TBO South Tamilnadu
